The astonishing best-seller is now a fantastic movie. Here is the original novel with new movie artwork on the cover. Set in a dark vision of the near future, a terrifying reality TV show is taking place. Twelve boys and twelve girls are forced to appear in a live event called The Hunger Games. Author and photographer Susan Kuklin met and interviewed six transgender or gender-neutral young adults and used her considerable skills to represent them thoughtfully and respectfully before, during, and after their personal acknowledgment of gender preference. Portraits, family photographs, and candid images grace the pages, augmenting the emotional and physical journey each youth has taken. Each honest discussion and disclosure, whether joyful or heartbreaking, is completely different from the other because of family dynamics, living situations, and the unique challenges each youth faces in the exploration of their identity. ...read more
